

SAFETY ICE BREAKER;

Team Members should be asked to stand. The trainer will ask them to move to one side of the room or the other based on their "vote" for a few of the above questions. Noting how many/who land on each side and debating the reasons WHY demonstrates that they can have differences of opinion while still being a unit and having fun together. If the meeting is virtual, Team Members can send their vote via chat.

Start a friendly debate

- *Tater tots vs. waffle fries?*
- *Chocolate candy vs. sour candy?*
- *Should hot dogs be considered sandwiches?*
- *How do you feel about the Oxford comma?*
- *Pizza cut into triangles vs. squares?*
- *Is cereal soup?*
